Dear Team Members

Thank you for agreeing to be a volunteer for the Ministry of Welcome at SPC.

Welcoming people warmly is a very important ministry. Feeling welcomed is one of the primary reasons why people choose to worship with and belong to a particular congregation.

Guidelines are provided to remind you of the duties involved. Please review the guidelines to ensure that all your duties will be fulfilled. **Please note that there is a new guideline about circulating through the Nursery and Classroom areas and also new information about which lights to turn on.** Name tags are provided so you will be easily identified by guests.

Please be diligent in welcoming guests and those who may be worshipping with us for the first time. Those people should be warmly greeted and also ushered to a seat. Please be alert to where your services would be most helpful.

If you are unable to fulfill your duties on the scheduled date please arrange for someone to take your place.

If you misplace your schedule and guidelines, both will be posted on the SPC Website under Serving Schedules.

The Ministry of Welcome is worthy of your very best! God bless you as you serve.

Nancy & Frank,
Team Leaders
