Things to pray for this week...

We give thanks for the beauty of God's creation, and pray that we cherish the earth and treat it wisely.

We give thanks for human rights defenders who work to protect the rights, safety and dignity of all people. We pray for the elimination of all forms of racial harm, violence and discrimination.

We give thanks to God that families living in conflict situations are accessing clean water provided through PWS&D's water, sanitation and hygiene projects.
