Mission Moment

Najua Osman recalls not being prepared to leave her home in Al Gezira, Sudan. However, as the war intensified, she had no choice but to seek refuge in South Sudan. Najua fled with her two children and was pregnant when she arrived in Renk. She delivered her twin babies safely but lacked basic items such as food, soap and mosquito nets. Because she didn't have enough to eat, she couldn't produce enough breastmilk to feed her twins. As Najua felt hopeless and depressed, she was approached by PWS&D's local partner, who registered her for a project where she received cash assistance. "The money helped me to buy food, which improved the production of breastmilk; I also bought mosquito nets and soap," she said.

Things to pray for this week...

We pray for all who mourn and suffer as a result of conflict and war. We ask God to protect and guide peacekeepers and those who serve in the Armed Forces.

We give thanks for the life and witness of generations of faithful people in the church, that we may continue to be inspired by the way their lives reflected their faith in Jesus Christ.
